Minutes of BOARD OF TRUSTEES – BATAVIA TOWNSHIP

Held _____ 20 _____

The Board of Trustees of Batavia Township met for a special meeting at 4:38 p.m. Monday, October 4, 2021, at the Batavia Township Community Center.

CALL TO ORDER

Following the Pledge of Allegiance, Jennifer Haley, Fiscal Officer, gave the roll call for the Board of Trustees. Present were: Mr. Parsons Mr. Perry, and Mr. Sauls. Also present was Adele Evans, Township Administrator.

WORK SESSION

There was discussion about the proposed splash park with DWA Recreation.

Mr. Parsons introduced Bob Griewe who spoke about the splash park project. His son, Jack would be the project manager along with Bob and one other person. He spoke about the manufacturing plant in Texas, Water Odyssey, south of Austin. All parts are made in house. They've been doing splash parks since 1996.

The mechanical room would be about half the size of the township's small conference room. Mr. Griewe suggested not separating sections according to age. He suggested buckets in the middle. They each put out approximately 50-80 gallons per minute. Kids like the spray guns. He suggested that we manage the time the splash park is open. We will need a separate water meter. They are running 12 weeks to fabricate. For example, if starting in April to break ground, it would be up around Memorial Day. Sidewalk positions were discussed, restrooms, etc. The theme of the splash park was discussed. It was suggested to just make it popular and functional. Concrete can be colored/stained but not necessary. Tables, benches, shading were discussed.

Mr. Griewe obtained everyone's email to keep them apprised of progress.

ADJOURNMENT

With no further business to come before the Board, Mr. Sauls motioned to adjourn the meeting. Mr. Perry seconded the motion. Meeting adjourned at 5:38 p.m.
